

# PREVENT SLIPS, TRIPS, FALLS

# CAUTION

## PREVENT SLIP, TRIPS, and FALLS at WORK

### Clear a Path

- Clean spills quickly
- Remove snow from sidewalks
- Clear walkways
- Keep floors dry

### Watch Your Step

- Keep an eye out for uneven surfaces
- Properly light walkways
- Pay close attention to changing conditions

### Plan for Prevention

- Wear appropriate footwear
- Secure loose rugs and mats
- Remove or secure loose cords
- Spread sand on icy sidewalks
