

NOT SURE WHERE TO GO for SAFETY & WELLNESS TOOLS?

Click the name of the resource you wish to view to visit their website or scan the QR code below

Paycom's self-service platform includes employee information, monthly safety and wellness programs, and weekly reads posted as a checklist. You can talk with HR using Paycom's ASK HERE feature. Click the ? in the upper right-hand corner of your Paycom screen to start a message.

HR4U is a convenient platform that enables you to interact with HR, access all resources mentioned in this flyer, and more without needing to log in. Full access requires a login. Monthly Safety & Wellness Programs are posted on this site for easy access without logging in.

WELLRIGHT

WellRight promotes employee safety and wellness. It includes an interactive dashboard to track progress, provides health information and tools, and features safety and wellness challenges. Access requires logging in with your company credentials and using the registration code Fabiano2024 for security.

ULLIANCE

Ulliance Life Advisor Employee Assistance Program offers free counseling, financial services, and 24/7 crisis assistance to employees and their dependents. You can create a personalized profile for a tailored experience or log in anonymously. The service is available online and via phone at 800-448-8326.

WORKING ADVANTAGE

Working Advantage, through Ulliance, offers exclusive savings on a wide range of life's pleasures. From Theme Parks, Attractions, and Shows, hotels, and Rental Cars, Concerts, Sports and Live Events Movie Tickets, electronics, and much more, we've got you covered. This site requires a personal account.

SAFEWELL

"SAFEWELL is the essential app for employees to actively track their progress in the safety and wellness program and stay updated on your HIP balance. You can view your individual account by logging in with the email you use in Paycom."
