

Staying Safe and Substance-Free

Being under the influence of marijuana, alcohol, or any other controlled drug at work is a serious safety risk.

Impairment slows reaction times, clouds judgment, and increases the chance of accidents that can harm you, your coworkers, and the company.

That's why use, possession, or being under the influence of these substances during work, on breaks, or anywhere on company property is strictly prohibited.

STAY SUBSTANCE- FREE AT WORK

No being under the influence of drugs or alcohol, including marijuana, at work or on company property.

Impairment puts everyone at risk.

Violations may lead to termination.

STAY CLEAR-HEADED. STAY SAFE.

Staying clear-headed ensures safety, productivity, and that everyone goes home safe at the end of the day

Violations can lead to discipline, up to termination.
