

## BACK TO SCHOOL ROAD SAFETY REMINDERS

### WATCH FOR SCHOOL ZONES

Slow down and obey posted school-zone speed limits. Expect sudden stops, crossing guards, and children darting out unexpectedly.

### WATCH FOR PEDESTRIANS & BICYCLISTS

Children on bicycles may not always follow traffic rules. Give them extra space and reduce your speed when passing young cyclists.

### WATCH FOR SCHOOL BUSES

Stop when red lights are flashing and the stop arm is extended—this is both the law and a life-saving measure. Allow extra space for buses to merge back into traffic.

### ALWAYS STAY FOCUSED

Put away distractions like phones. Be especially cautious in residential areas and parking lots.

### HAVE EXTRA PATIENCE

Morning and afternoon routes may take longer due to heavier traffic. Plan ahead and leave extra time so you're not tempted to rush.

**As drivers, you set the example on the road. Slowing down, staying alert, and being patient keeps our communities—and kids—safe.**
