

Safety & Wellness Program Overview

Think Safe. Live Well. It Starts with YOU.

This week's focus is our Fabiano Brothers Safety & Wellness Program – your guide to staying safe, healthy, and rewarded.

Your participation matters – and is required for all employees.

Active participation in your Monthly Meetings and Weekly Reads helps keep everyone safe and well, while also ensuring your HIP rewards and balances continue to grow. Challenges are optional – but a great way to stay engaged and earn even more!

As the year end approaches, focus on completing the program to stay safe, well, and eligible for your Year-End Bonus and full HIP payout.

Don't forget BINGO! Stay injury-free, mark your cards, and report your win to HR for a chance to earn even more rewards!

Explore the full Program Overview TODAY!

Earn. Check. Shop. Redeem.

Simple steps. Safe workplace. Real rewards.
