

EMERGENCY PREPAREDNESS: BE READY BEFORE IT HAPPENS.

Emergencies can happen anytime—at home, at work, or on the road. A little preparation today can make a big difference tomorrow.

SEPTEMBER IS NATIONAL PREPAREDNESS MONTH

Make safety a priority. Be informed. Be prepared.

BUILD A BASIC EMERGENCY KIT

Water
(one gallon per
person per day)

Non-perishable
food

Flashlight
& extra
batteries

First aid kit &
essential
medications

Phone charger
& power bank

Whistle
(to signal
for help)

Store your kit in an easy-to-carry container.
Check it every 6 months and update as needed.

QUICK TIPS

- ✓ Practice your plan with your family.
- ✓ Know your evacuation routes.
- ✓ Keep important documents in a waterproof bag.
- ✓ Help coworkers who may need extra assistance.
- ✓ If you see something, say something. Report hazards right away.

REMEMBER

**PREPARE TODAY.
PROTECT TOMORROW.**

Small steps now can keep
you and your loved ones
safe later.

4 STEPS TO BE PREPARED

1

KNOW YOUR PLAN

Know what emergencies could happen and how you will respond. Review your plan at home and work.

2

BUILD A KIT

Have essential supplies ready in case you need to evacuate or shelter in place.

3

STAY INFORMED

Monitor weather alerts and emergency notifications. Know where to find reliable information.

4

MAKE A PLAN TO COMMUNICATE

Make sure your family knows how to reach each other and where to meet.

**WE'RE ALL IN
THIS TOGETHER.**

Your preparedness protects you, your team, and our Fabiano Brothers family.

SAFETY STARTS WITH YOU.
